Don't miss an opportunity to own this charming country cottage in sunny Carlotta. This little home has had many upgrades in recent years, including electrical, plumbing, vinyl windows, and a Norwegian wood stove. Fall in love with the open floor plan that includes lots of natural light, an enclosed front porch, generous Living room, and a laundry/mudroom. All appliances are included. The oversized yard has plenty of room to create your own outdoor oasis and is only minutes from town!
